

Hazard Mitigation Plan Public Meeting

Natural hazards can have serious impacts on the Town of Sherborn and its residents...

The Sherborn Hazard Mitigation Plan is being produced to help the town reduce its vulnerability to natural hazard events such as flooding, hurricanes, and winter storms. The Sherborn Planning Board is hosting a public meeting to provide an overview of the plan and an opportunity for questions and input. As part of the planning process, Sherborn's neighboring towns are being notified of the meeting and invited to attend.

Date: Tuesday, August 15, 2017

Time: 7:00 pm

Location: Town Hall, Room 204A
19 Washington Street, Sherborn, MA
