ACCEPTANCE OF MINUTES -

MARIAN HIGH SCHOOL BINGO VARIANCE REQUEST

Doreen Hudson, representing Marian High School Bingo asked that a variance be granted to their Bingo program to allow smoking in their facility after the July 1, 1999 implementation of the new Board of Health Regulations Relative to Smoking in Public Places. They would like to have time to prepare by applying to the Gaming Commission to raise their stakes from \$50.00 to \$100.00 in order to help keep their smoking customers. Leslie Willets, a former bingo coordinator at Marian, spoke in favor of granting a variance. After much discussion the Board of Health voted, unanimously, to grant a variance until September 6, 1999. After that date the Bingo program must be smoke-free.

SUBURBAN HEALTH CLUB SWIMMING POOL VARIANCE

The Suburban Health Club requests, by letter, that a variance be granted to them in order that they may install anti-vortex drains on their swimming pools that are of their own design as commercially constructed drain covers are not available. They submitted documentation that their design was approved by a Professional Engineer. The Board of Health voted, unanimously, to grant this variance.

MATT ZETTEK

Matt Zettek announced that he would not be seeking re-appointment to the Board of Health. He thanked the board members, both past and present, and the staff for their assistance and cooperation while he was a board member.
